Will Be Known League of Women Voters After National Convention to Be Held in 1920.

## WILSON HOPES FOR VOTE

President Sends Greetings and Says He Desires Adoption of Amendment, Soon by U. S.

ST. LOUIS, Mo., March 27.—The National American Woman Suffrage association will become the League of Women Voters following the national convention of the association in February, 1920, the new name having been selected today in the annual convention held here. It is expected by the association that the federal amendment will have been passed by that time.

The association, although retaining its old name for another year, is re-organized into two distinct sections, one being composed of delegates from enfranchised states and the other section being delegates from non-franchised states. Suffragists in states where women are expected to assume the name at once, as "the League of Women Voters of New York," although these state organizations remain under the national title of the suffrage association.

A feature of today's session was the reading of a telegram from President Wilson, in which the president sent greetings to the convention and expressed the earnest hope that the federal amendment would be passed soon.

Mrs. Raymond Robins, one of today's speakers, discussed the progress of women in industry. In the afternoon Mrs. Catherine Waugh McPherson, of Chicago, spoke on the suffrage of state laws. Laws pertaining to marriage and divorce, property rights, industry, morality, child welfare and elections were pointed out as the most insistent demand for laws to protect women in industry. The evening session was devoted to "unpublished records concerning some recent victories," in which workers in Indiana, Vermont, Nebraska, South Dakota, Michigan, Oklahoma and Texas told of the difficulties encountered in passing franchise laws.

Members of the national association elected today and announced this evening were:

Mrs. George Gellhorn, of St. Louis; Mrs. Richard E. Edwards, Peru, Ind.; Mrs. C. H. Brooks, Wichita, Kan.; Mrs. Benjamin Hooper, Wisconsin; Mrs. Arthur L. Livermore, New York city; Mrs. J. C. Cantrell, Kentucky; Mrs. Esther G. Ogden, New York city; Mrs. George A. Plesol, Pennsylvania.

Not Consulted on Loan. WASHINGTON, March 27.—The treasury department has not been consulted concerning a reported movement among bankers to organize a large loan to Mexico, and consequently has given neither approval nor disapproval. It was learned today, however, that the department would look with favor on the negotiation of a large private loan to Mexico before the Victory Liberty loan is floated, or whether bankers would attempt to raise such a loan before then.
